27 All parties to the above-entitled action, by and
28 through their respective attorneys, hereby stipulate to

1 continue the ENE completion date in the above-referenced
2 matter to December 31, 2009. The trial of this matter is not
3 until November 1, 2009. The reason for the continuance in
4 the date for completion of the ENE is that it has been
5 difficult to coordinate all parties' and the neutral
6 evaluator's schedules, and also the extension will allow the
7 parties to do some additional discovery prior to the ENE.
8 The parties already had a pre-litigation mediation which did
9 not succeed in resolving the matter, so the additional time
10 to complete the ENE, and complete some additional discovery
11 prior thereto, will hopefully be helpful in facilitating
12 resolution of this matter.
